

Kalgoorlie-Boulder Community High School

2018 Year 10 Course Selection

NAME: _____

FORM: _____

Students are automatically placed into the compulsory classes of English, Mathematics, Science, Humanities and Social Sciences, Health and Physical Education.

Each student selects three (3) 'elective' classes for the year from the gridlines provided below. These gridlines contain the available classes at the one time. Selection of certain "paired subjects" requires students to do the same subject on two gridlines thus limiting their selections.

The paired subjects are; Certificate 1 Retail, Certificate 1 Engineering/Furnishing Studies, Certificate 1 Automotive and Certificate 1 Sport and Recreation. Apart from the above paired subjects students select one subject from each of the below gridlines. The selection of the same subject on different gridlines is not permitted.

Please be aware that if there are not sufficient students to make the class sizes viable then that class may not operate and the second choice will be used. Students who have submitted their selections by the due date (Friday 15 September) will be given first preference into courses. Forms submitted following the due date will be date stamped and considered accordingly.

***Subjects in **BOLD** have the potential to accrue WACE accreditation.

Please note:

The above course selections do not constitute enrolment. Placement into courses will be guided by teacher availability; popularity of courses and in some cases a selection interview. Students may be enrolled in a subject further down his/her preference list.

Students will be informed of their successful subjects when the 2018 Charges and Contributions are sent out in December. Payment is required should students select a subject with a **Charge (compulsory)** cost.
