

Kalgoorlie-Boulder Community High School 2018 Year 8 Course Selection

NAME: _____

FORM: _____

Students are automatically placed into the compulsory classes of English, Mathematics, Science, Humanities and Social Sciences, and Health and Physical Education.

Each student has the opportunity to select three (3) 'elective' classes for each semester.

Students select one subject from each of the following gridlines. These gridlines contain the available classes at the one time.

Students must select different subjects from each of the lines provided in both Semester 1 and Semester 2.

The selection of the same subject on different lines is not permitted.

Please be aware that if there are not sufficient students to make the class sizes viable then that class may not operate and the second choice will be used.
